

# HOW TO TRAVEL SMARTER

## YOUR PRE-DEPARTURE CHECKLIST

Check your personal belongings (e.g. passport, boarding pass, mobile phone, hand carry, personal belongings, etc) before boarding by the gate.

Do not leave your things unattended, especially hand carry items.

Avoid saying the word "bomb" that may cause coercion due to threat. Bomb threats and jokes will cause any airport to lockdown and any violators will be fined \$10,000 and passport will be confiscated.

Check your boarding pass properly to avoid long discussions and fighting on board which may cause delay.

Stow your hand carry properly in the overhead bin and your small hand carry under the seat in front of you.

Fasten your seatbelts and prepare for departure.

Do not use your mobile phone while the safety demo is being presented. Pay attention.

# HOW TO TRAVEL SMARTER

## YOUR PRE-DEPARTURE CHECKLIST

Do not use the washroom when the aircraft is in motion

To avoid from being stolen, do not leave your things unattended

Avoid wearing or using sunglasses inside the airport, or you will be stopped during security check for identification

Do not remove anything from your jacket after setting off the metal detector, or the security will ask you to step out again for a second check

Do not pat the "sniffer dogs" or the K-9 dogs inside the airport. They are trained to sniff bombs, drugs, and suspicious behavior

Avoid walking down the aisle while the aircraft is in motion
